

## **die Berater® Priority Area for Erasmus+: Unfolding human potentials**

In the upcoming first round of the new Erasmus + programme we would like to offer our expertise to developing project proposals in one of the priority areas of our work: **Unfolding human potentials**

At the core of all activities of *die Berater®* is our dedication to develop people's competences by providing fitting learning opportunities. Competences for all areas of life. Preparing for the labour market. Upskilling professional competence. Learning how to best contribute to society. This learning never stops and should be based on clear insight what competences I have and how I can improve them.

These activities contribute to the following Sustainability Development Goals (SDGs):

*die Berater®* has ample experience with EU-funded projects to develop and assess competences in professionals, societal and personal contexts:

### **Integration**

### **Volunteering**

### **EU project work & mobility**

### **Key competences**

### **Professional competences**

### **Competences of educators**

In addition to this specific expertise you can count in your project on our **know-how** in:

Programme planning  
Learning materials
